REQUEST FOR FURTHER ARGUMENTS

To: The Registrar

The [Filing Party Type]* requests for further arguments with regard to the matter [Case No.]* where an order was made. The proposed further arguments to be raised in brief are:

The Plaintiff requests for further arguments with regard to the matter HC/S 413/2021 where an order was made to strike out the action under O 18 r 19 with the Defendant's defence held in abeyance. The Plaintiff was blind to the issues, and there appear to be uncertainties with regards to the proceedings and mode of trial, and the faithfulness of information before the Court when the decision was made. Legislation under which the claim was tried is unknown to the Plaintiff. Evidence shows that solicitors for the Defendant planned for a trial by ambush. The Plaintiff was blind to the issues, received contradictory information on proceedings, and his claim was struck out in a trial with no pleadings under O 18 r 19. I humbly request further pleadings.

Order made on : * **14-Jul-2014**

Order made by : * **Assistant Registrar Kenneth Wang Ye**

Pursuant To : * **O 18 r 19(1)(a)**
